

User Interface Unit 433Mhz / 868Mhz

General

Ambient Temperature Range (Storage) -10°C to +60°C
Operating Temperature Range -10°C to +60°C

Communication

Radio Frequency - 433/868MHz, bi-birectional, ISM free band
Protocol - USC Proprietary Protocol
Range - Up to 100m line of sight

Battery

Internal Coin Cells (3V Lithium)
Battery Life - Up to 5 years dependant on use

Display

LCD

Conformity

STS (When used with WMD) , ICASA, CE
